Archbishop's Message and Prayer
for healing of Pope Francis

Dear brothers and sisters in Christ,

As many of you know, Pope Francis has been hospitalized and is receiving treatment for bronchitis. As of this writing, the Vatican reports that he is in stable condition. The Holy Father expresses that he is moved by the numerous messages of affection and closeness that he has been receiving. He thanks everyone.

Thus, let us continue our prayers for the Vicar of Christ on earth:

In the name of the Father, the Son, and the Holy Spirit.

Dear God, we join our prayers with many worldwide for the full and expedient recovery of Pope Francis. Our most loving Creator, look with mercy upon your humble servant Francis. Please heal the infirmities he now experiences. Grant him full rest, comfort and recovery. Give him continued strength in mind, body and spirit.

We pray too for the doctors, nurses and other medical professionals tending to the pope, that your Holy Spirit guide them in their work. Finally, we pray for all others who are sick, especially those in severe pain and in critical condition. Comfort them and their families in their time of suffering. Console them with the knowledge of your deep, ever-present love for them.

Thank you, God.
Amen
